

MA9500 integrated amplifier

- Music comes to life with the MA9500 Integrated Amplifier and its 300 Watts per channel of clean, effortless power.
- McIntosh Autoformer™ technology ensures your speakers will receive the full 300 Watts regardless if they have 2, 4 or 8 Ohm impedance.
- Filter capacity has been doubled for improved dynamic headroom to reproduce musical peaks with even lower distortion as well as better low frequency performance.
- Comes with our advanced DA2 Digital Audio Module that supports high resolution digital music playback of up to DSD512 and 24-bit/192kHz. An HDMI (ARC) input will extract the best sound possible from your compatible TV.
- Includes 17 total inputs: ten analog and seven digital.
- Discrete, eight-band tone control that allows for advanced analog adjustment of ± 12 dB in 2dB increments.
- Upgraded power supply components further reduce noise emissions while adding more robustness under the most demanding conditions.
- Includes numerous McIntosh technologies such as fast-responding "McIntosh Blue" Watt meters, Power Guard®, Sentry Monitor™, Monogrammed Heatsinks™, Home Theater PassThru, High Drive headphone amplifier with Headphone Crossfeed Director (HXD®), Power Control, and Solid Cinch™ speaker binding posts.

MA9500 integrated amplifier

Power Output:

300 Watts per channel

Total Harmonic Distortion:

Preamplifier: 0.005%

Amplifier: 0.005%

Both maximum from 20Hz to 20kHz

Tone Controls:

8-Band analog tone controls

Headphone Amplifier:

1/4" High Drive with Headphone
Crossfeed Director (HXD®)

Analog Inputs:

6 Unbalanced

2 Balanced

1 Moving Coil (adjustable)

1 Moving Magnet (adjustable)

Digital Inputs:

2 Coax

2 Optical

1 USB

1 MCT (used with McIntosh
SACD/CD Transports)

1 HDMI (ARC)

Home Theater PassThru:

Allows for seamless interfacing with
a Home Theater system.

Overall Dimensions (W x H x D):

17-1/2" (44.5cm) x 9-7/16" (24cm)

x 19-3/4" (50.2cm)

Weight:

101 lbs (45.8kg) net,

134 lbs (60.8kg) in shipping carton

For the Consumer's Protection:

In order to ensure the highest level of customer satisfaction, new McIntosh products may only be purchased from an Authorized McIntosh Dealer; and, with certain limited exceptions may only be purchased over-the-counter or delivered and installed by the Authorized McIntosh Dealer. McIntosh does not warrant, in any way, products that are purchased from anyone who is not an Authorized McIntosh Dealer, or that have had their serial numbers altered or defaced.

Companion Products

The MT10 Precision Turntable, MCD600 SACD/CD Player or MCT500 SACD/CD Transport, MS500 Music Streamer, MR87 AM/FM Tuner, MEN220 Room Correction System, MPC1500 Power Controller, MB20 Bluetooth Transceiver, and XR100 Loudspeakers are logical companions for the MA9500 Integrated Amplifier. Your Authorized Dealer can provide additional information on other McIntosh product combinations. To learn more, please call us at 1.800.538.6576.
