

SENNHEISER

## HD 660S2

Dive deeper into  
your music.

## Dive deeper into your music.

Enjoy your music on a completely new level. An intimate, relaxed sound signature combines with outstanding precision and exceptional comfort — and now, extended sub bass — for a deeply moving experience. The extremely precise yet non-fatiguing sound of the HD 660S2 delivers even more impact with extended sub bass.

With an optimized surround, transducer airflow, and coil our engineers doubled the sound pressure at the lowest octaves. You can feel the lowest note on the piano (27.5 Hz) or the kick of the bass drum (45-60 Hz) as if you were there.

The relaxed tone and open-back design make this extremely comfortable headphone great for long sessions. With warm tuning, smooth treble, and strong bass, the standard-setter for extended listening is now the standard-setter for extended bass as well.

### SPEC SHEET

## HD 660S2

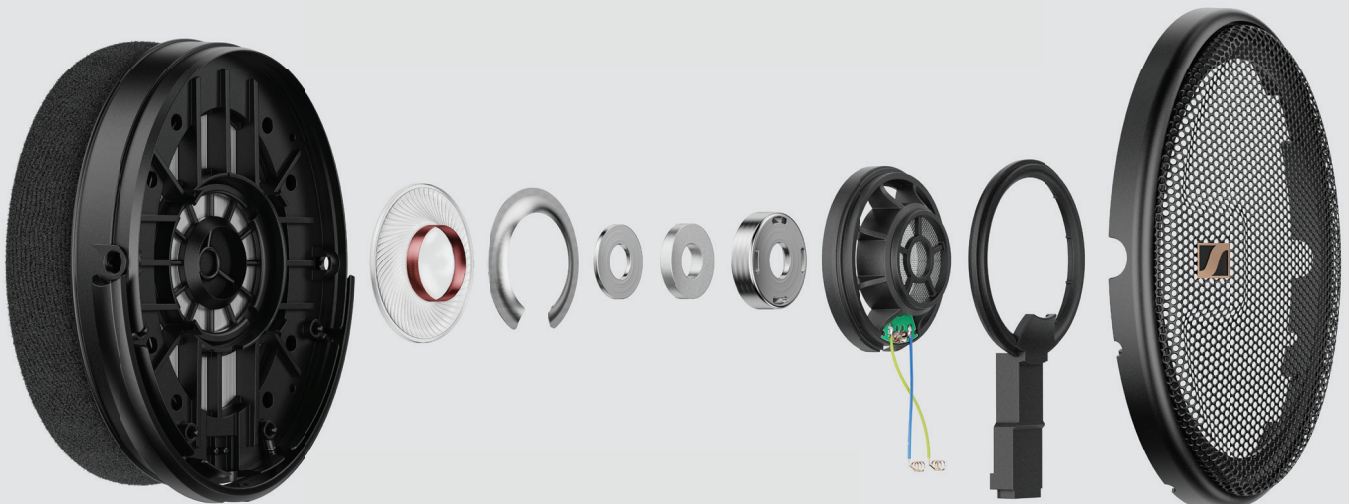

### AUDIOPHILE SOUND

- This warm, inviting signature combined with extended sub bass makes listening uniquely pleasant and rewarding. And with comfort this good, it practically begs you to keep going for endless sessions. That's how HD 660S2 combines the best of many worlds to give you an intimate experience you won't want to live without.
- Natural, relaxed, high-fidelity sound with extra sub bass: Optimized surround and diaphragm with new voice coil with 300-ohm impedance
- 38mm high-performance transducers built in Ireland: Steel mesh damping follows the driver's geometry to control air displacement, while the magnetic yoke includes milled air vents for optimal ventilation, which minimizes distortion
- Uniquely powerful vented magnet system for minimized distortion
- Ultra-light aluminum voice coil with 300-ohm impedance for excellent impulse response
- Intimate sound with great timbre and deep, accurate sub bass

### EXCEPTIONAL COMFORT

- Exceptional comfort and build quality: The open-back design and plush ear cushions offer exceptional breathability for long listening sessions
- The velour earpads of the HD 660S2 can only be described as a tactile pleasure
- The low total weight and ergonomic headband rule out any potential discomfort on top of your head as well. Combined with excellent build quality made in Ireland, you'll quickly grow attached to a listening experience that's as physically pleasing as the warm, non-fatiguing sound at its heart.
- Global 2-year warranty offers peace of mind for your audio equipment investment

## SPEC SHEET

# HD 660S2

## Technical Data

EAN	4260752330374
UPC	810091270370
Art. No.	700240

### General Data

Transducer principle	Dynamic, open
Transducer size	38 mm
Frequency response	8 Hz - 41,500 Hz
Impedance	300 Ω
Sound Pressure Level (SPL)	104 dB (1 V)
Total Harmonic Distortion (THD)	< 0.04% (1 kHz, 100dB)
Style	Over-ear
Weight	260 g
Adapter	6.3 mm (1/4 inch) to 3.5 mm
Connector	6.3 mm (1/4 inch) jack plug, 4.4 mm balanced plug
Cable length	1.8 m
Country of origin	Ireland
Magnetic field	2.5 mT
Customs tariff code 10 digit commodity code	8518300090

### What's in the box

- HD 660S2 headphones
- 6.3 mm cable (1.8 m), 4.4 mm cable (1.8 m)
- 6.3 mm to 3.5 mm adapter
- Carry pouch

### Packaging

Packaging type	Carton box
Dimensions product packaging (L x W x H)	242 x 182 x 100 mm
Weight of headphone with packaging	638g
Dimensions of outer master carton (L x W x H)	526 x 266 x 410 mm
Number of products per outer master carton	10
Total weight of outer master carton & products	7,080g

### WEEE packaging information

Material of single package (incl. weight)	200 g
Material of outer master carton (incl. weight)	700 g
WEEE weight (net weight)	388 g
