## Essential III Digital - the turntable king of the analogue and digital world!

Essential III Digital is the successor to the well received and much respected Essential II Digital, a turntable that shook ground like probably no other before. Delivering its owner the unmatched comfort of a turntable that not only does analogue playback, but also converts his favourite LPs to a digital data stream via its optical output. A perfect match to connect to your multi room

entertainment system, a soundbar or even a TV! Equipped with the high-quality pickup OM10 by the phonographic cartridge pioneer Ortofon, Essential III Digital delivers lively, balanced and highly involving sound that will delight every vinyl lover. Essential III Digital comes in the aesthetic high-gloss colors black, red and white.
